FAI

Frontier Alliance International (FAI) has three regional mandates: local, regional, international. Under these three mandates there is a five part mission of:

(1) Disciplemaking, (2) Medical/humanitarian relief,
(3) Field Training, (4) Film and (5) Publishing.

Our international initiatives are to publish written resources and produce films to inspire and equip future cross-cultural disciple makers and Christian relief workers. Find out more at www.faimission.org.
